STAFF

For nine years the Mountain Brook Board of Education has been under the capable leadership of Dr. William N. Eddins, who has watched the Mountain Brook School System grow to five schools. He graduated from Henderson State Teacher's College in Arkansas, received his Master's degree from the University of Alabama, and his Doctor's degree from Columbia University. Dr. Eddins is helped by his able assistant, Mr. Reid.

PATTERSON, HAROLD D.
Auburn University,
Peabody College, BS,
MA, PhD.; Principal

The student body's "personal bias" is that Dr. Patterson has proved to be the finest principal in the area. Since his arrival at Mountain Brook from Evanston Township High School in Illinois, he has used his initiative to get this school on its feet and achieve its recognition across the country.

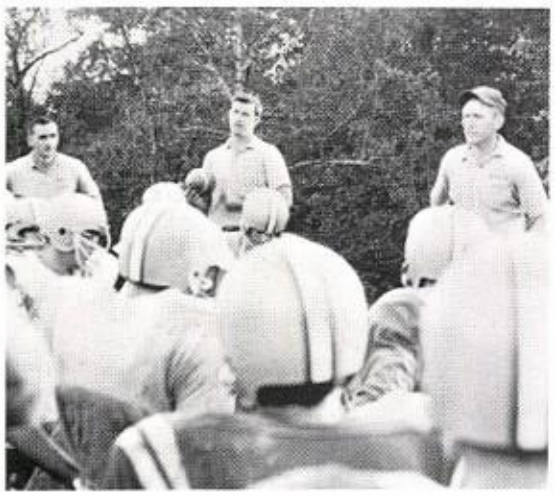
COACH FITTS BOOSTS ADMINISTRATION

We know Coach Fitts as our "Double Duty" man. He conditions our athletes on the green sod, and our tardy students from his little green file. Handling both lines so well gives everyone an opportunity to admire his ability and leadership.



COUNSELORS MOLD OUR FUTURE

"May I wait?"--is always the reply we give when we are told our counselors are busy. Our problems of subject choices, college applications, career and personal matters receive their interest and attention. Their advice helps us to conquer the present and face the future.

SWORD

The SWORD & SHIELD, the Mountain Brook High School newspaper, comes out every other week. A separate staff publishes each issue. Publishing a high school newspaper is not as easy as it would seem. The members of the SWORD & SHIELD are well acquainted with spending many hours of their own time at the Shades Valley Sun newspaper office rushing to meet the deadline. There is the hurried search for something to fill the extra half a column or the feature article that was due yesterday. There is the excitement of thinking up a clever article or catching headline. The work, preparation, and worrying result in the SWORD & SHIELD, a source of pride for both staff and students.

OLYMPIAN

After long hours of undiluted work, the MBHS annual staff now presents the OLYMPIAN. Leaving school in total darkness, sitting in a room with the same five people trying to find a fitting caption for a picture, and spending an entire weekend identifying 1300 mysterious faces are all necessities for members of the staff. Coupled with the ordeals was the excitement of being a part of the first high school talent-beauty contest of its kind, the Miss Olympian Pageant, and the satisfaction of sending to the publisher the final copy of the first MBHS OLYMPIAN. The OLYMPIAN staff truly enjoyed producing this annual for your enjoyment . . . NOW ENJOY!

HISTORY CLUBS

The History Club is an active and informative club in Mountain Brook High School. Divided into three groups--Freshman-Sophomore, Junior, and Senior--each functions as a separate History Club with its own activities and projects. The programs range from provocative debates and lectures to noisy discussions on current events. Last year the History Club established a slave auction as its traditional booth for Spartan Day.

ART CLUB

The Art Club attracts the most outstanding, unusual, and entertaining group of people imaginable. What other club could boast of having The Department, Miss Olympian '68, Phyllis Diller, Carol "Miss Krispy Kreme" Huck, Carlota, Mari Juana, Ronald McDonald and his flying hamburger, and that unquestionably terrific pain--the Old Man and The Donkey. And what other club endorses flower power (paper, that is), and The Mothers of the Confederacy? None but us!

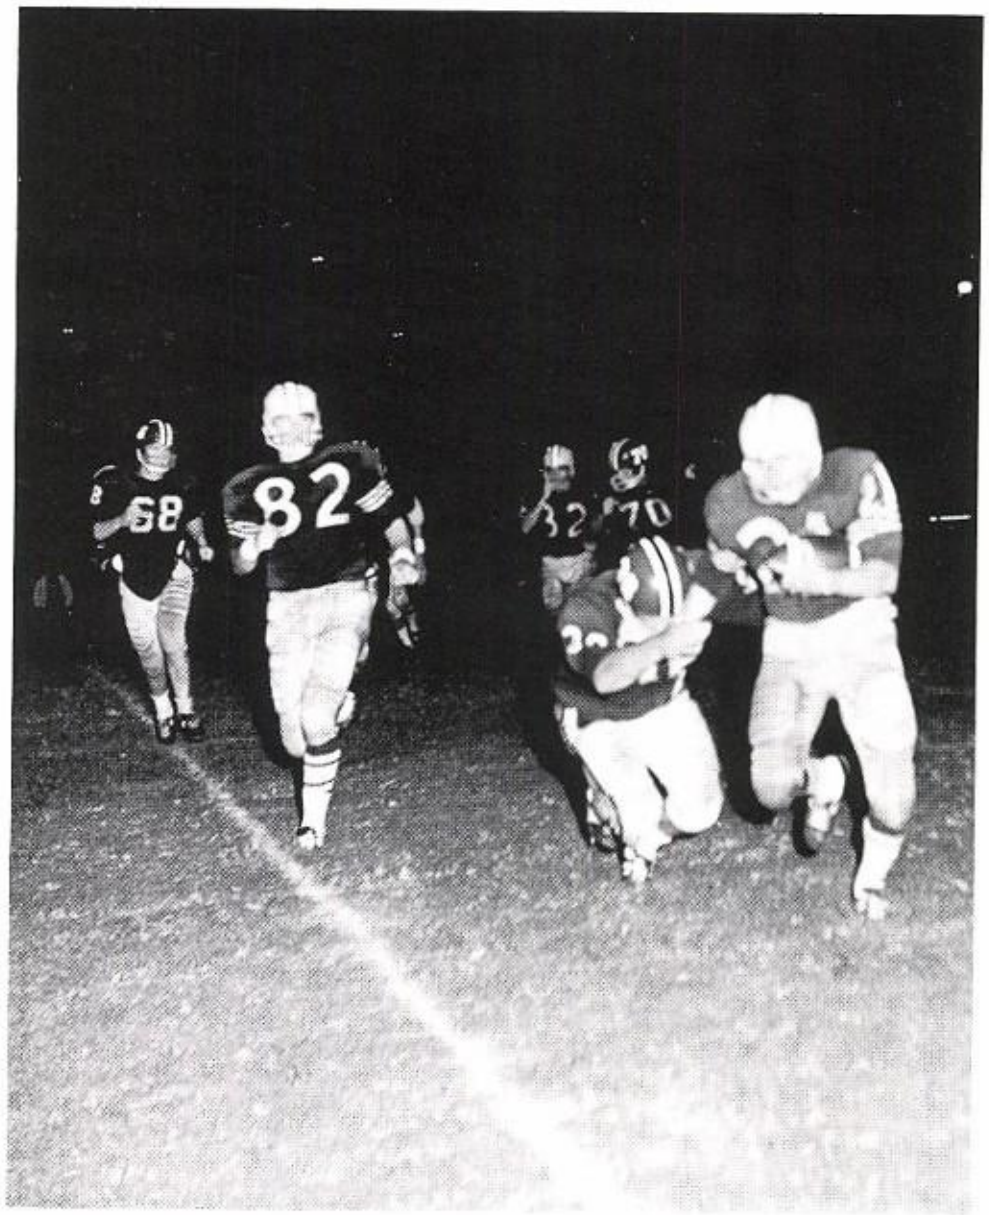
SEASON 7-3

SYLACAUGA

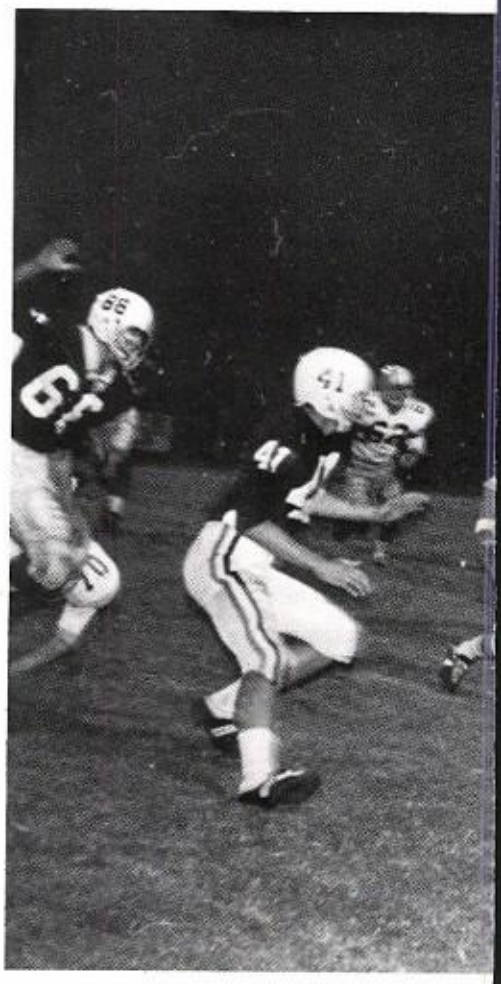
It was a long ride to Sylacauga, but well worth it. This first season's game was highlighted by the two touchdown passes by Hardy to Moore. The Spartans clinched this victory from Sylacauga by a score of fourteen to nothing, and with the score in our favor, the ride home didn't seem quite so long.



Davis carries against Sylacauga.

TUSCALOOSA COUNTY

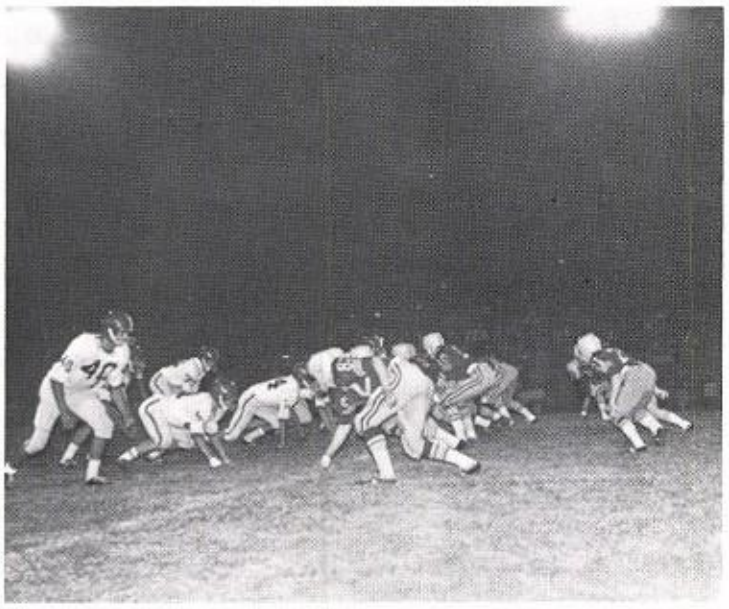
Defying the accusation of beginner's luck, we kept our winning streak alive with a 20-7 victory over Tuscaloosa County. The Spartans controlled the game in the first half with Tayloe making the only first half score. Elliott and Davis followed through in the second half with a touchdown each. McCullough kicked the PAT's and closed out the scoring.



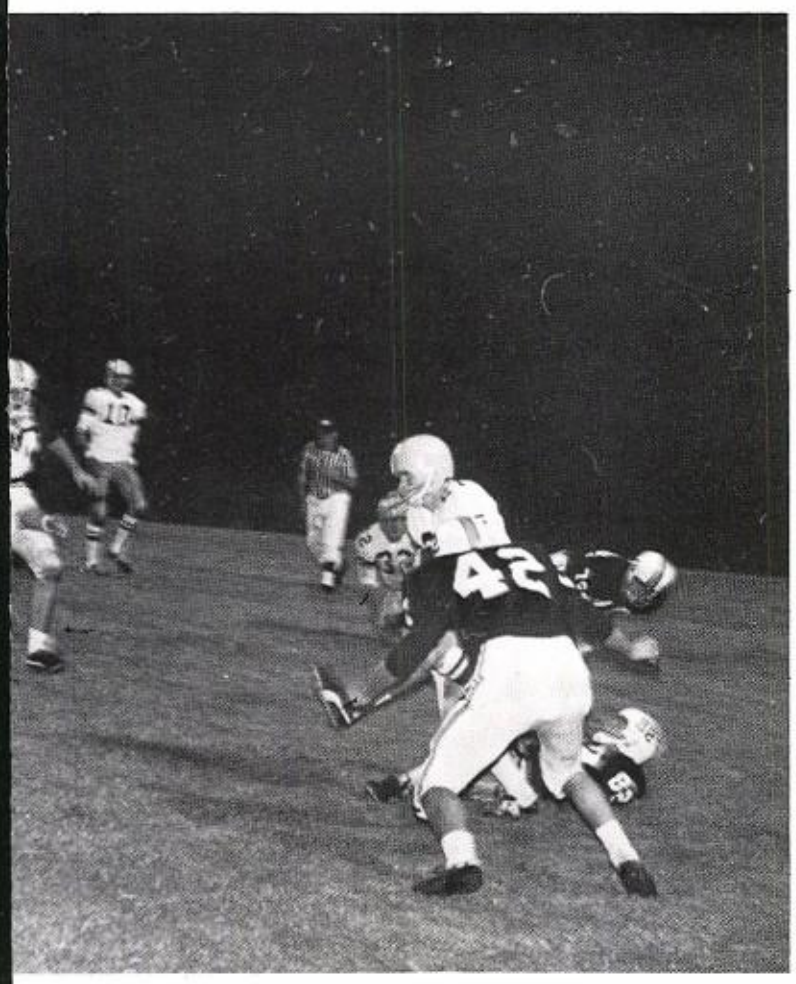
Davis, Bagwell and Craig defending against Tuscaloosa County.

JOHN CARROLL

The Spartans chalked up victory number three as they rolled past John Carroll 26-19. The ground attack with Elliott and Davis took its toll on the Cavalier defense. After Elliott, blasting across for the first score, Moore followed suit with a second touchdown, putting Mtn. Brook ahead 14-13 at the half. In the second half Hardy limbered up his arm to connect with Houseal. This combination netted two more touchdowns, giving the Spartans a deciding edge over Carroll. The final seconds ticked away as the stout defense, led by McCullough, McKibbon, and Yeilding, held the Cavs.



Offensive team against John Carroll.



BERRY

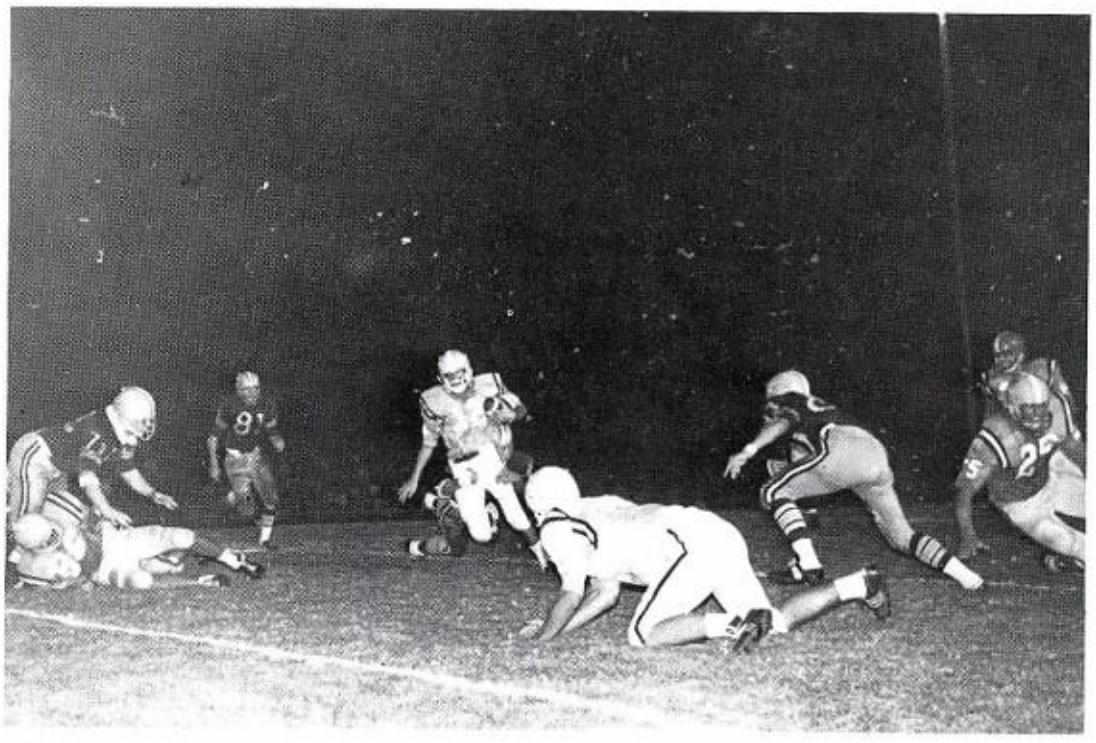
An enthusiastic team, backed by spirited fans, made the trip to Berry with hopes of victory over our neighboring rival. The Bucs, however, were not ready to be overcome by our persistent Spartan line. Berry scored four times, making the final score 28-0. Disappointed in our defeat, we looked forward to overwhelming victories in the games to come.

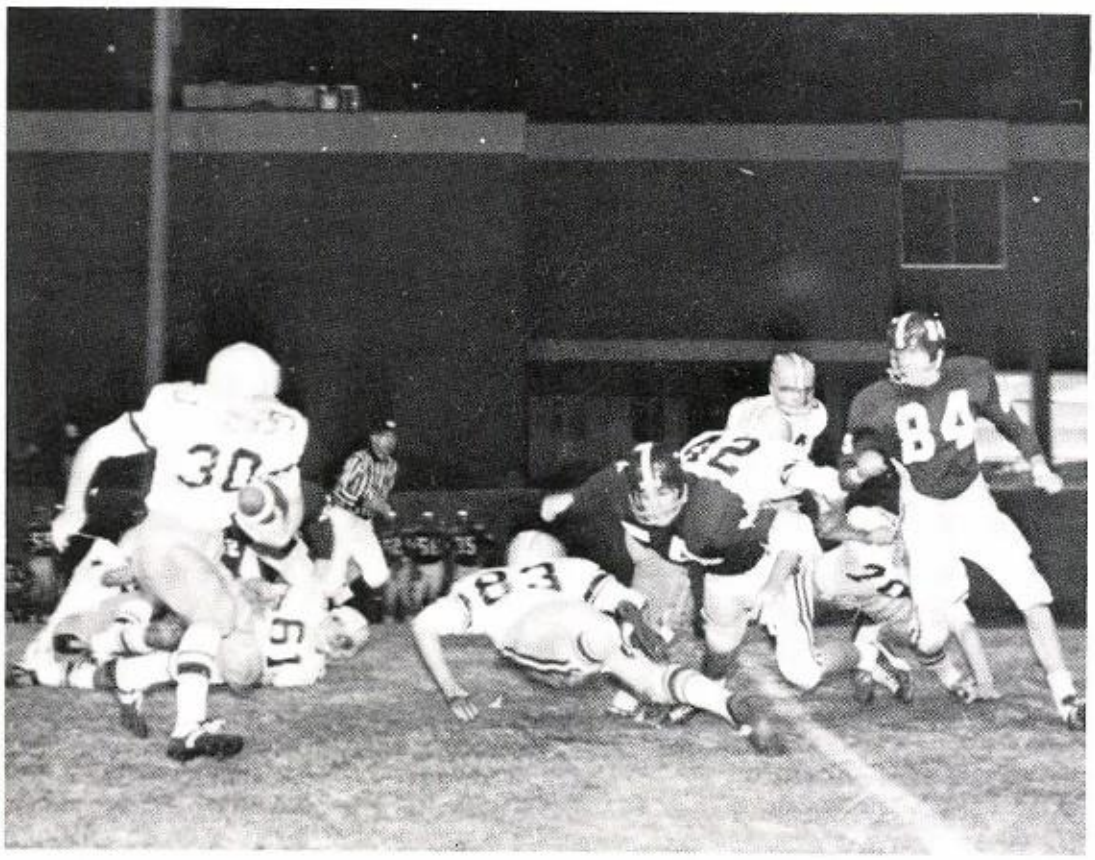
Cliff Moore runs through against Berry.

Hardy throws to Patton, Tayloe blocks against Berry.

BRADSHAW

An exciting game of football made the long trip to Florence worth it for all Spartan fans. Bradshaw scored in the first quarter, taking a 6-0 lead. An interception by Moore began our 76-yard drive, ending with Davis blasting across to score. Late in the third quarter McCullough slipped through and stole the ball from the Bruins, setting up another Spartan score by Tayloe. After another interception by Wood, who ran for the touchdown, and an extra point by Davis, the score put Mtn. Brook ahead 20-6. The Bruins crept it up to 20-20, but Elliott came back to make the final score 27-20.

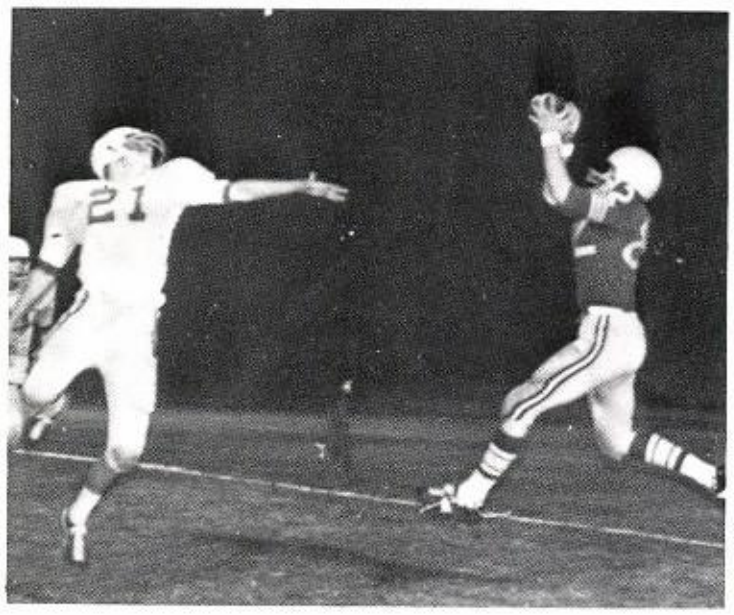




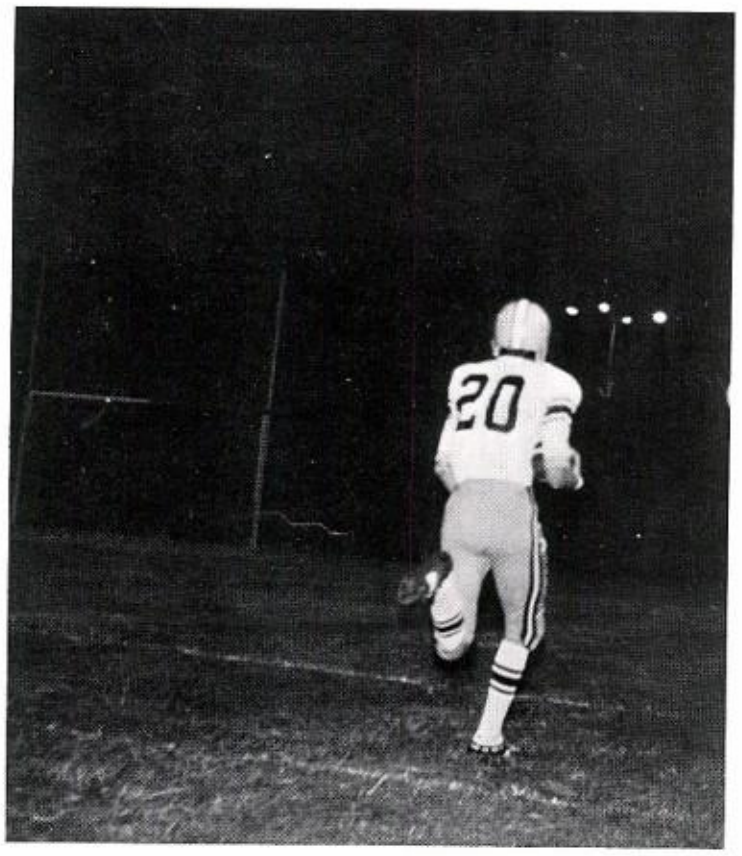
Childs carries against Oak Grove as Cobb, Pappas, Sherrill, and Hasty block.

A. G. PARRISH

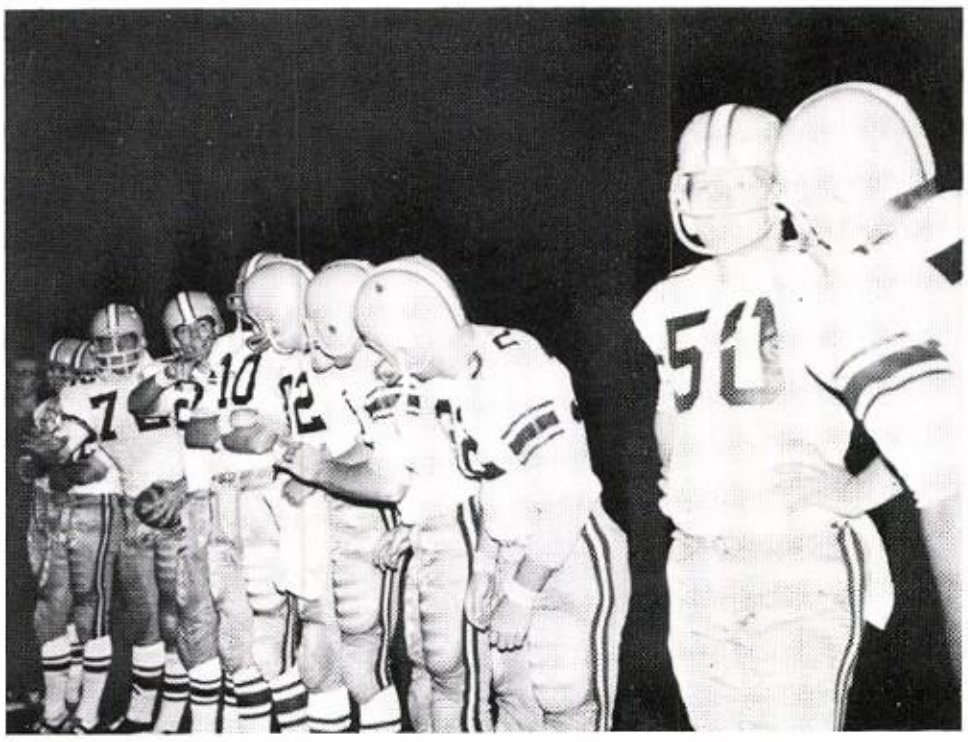
Although the victory went to A. G. Parrish High School of Selma, the Mountain Brook Spartans made a valiant showing in the fifth game of the season. The skill of the Spartans was especially seen in a sixty yard punt return by Moore, a typical display of Spartan strength. The final score, however, was 7-0 in favor of Parrish.



Houseal makes a successful catch against Hewitt-Trussville.

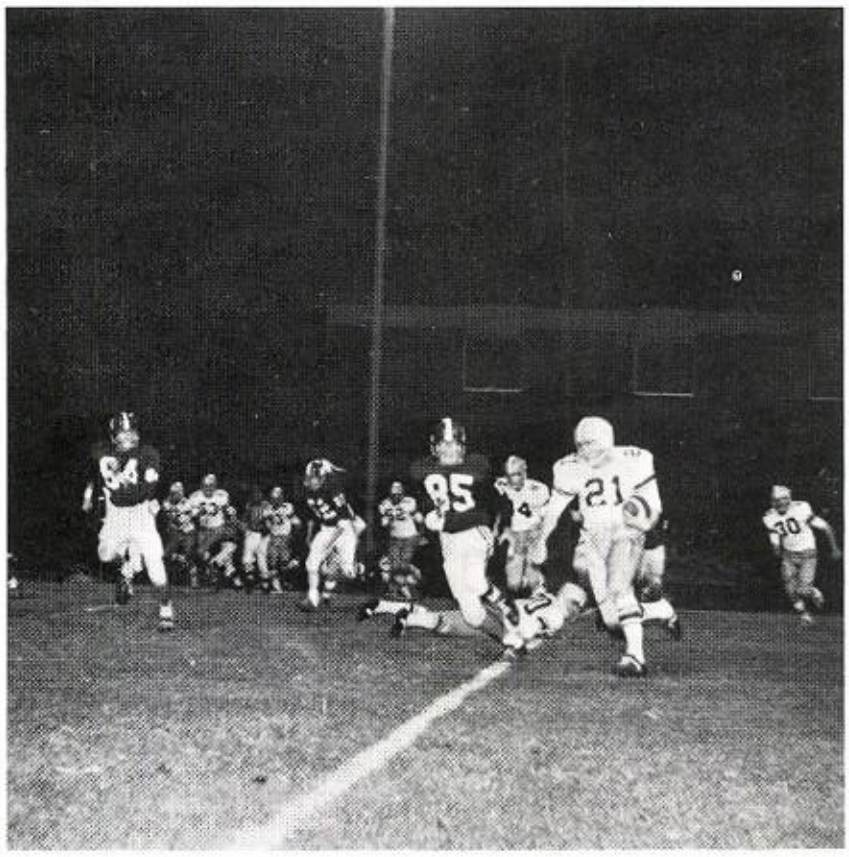


Cliff Moore makes it all alone against Oak Grove.



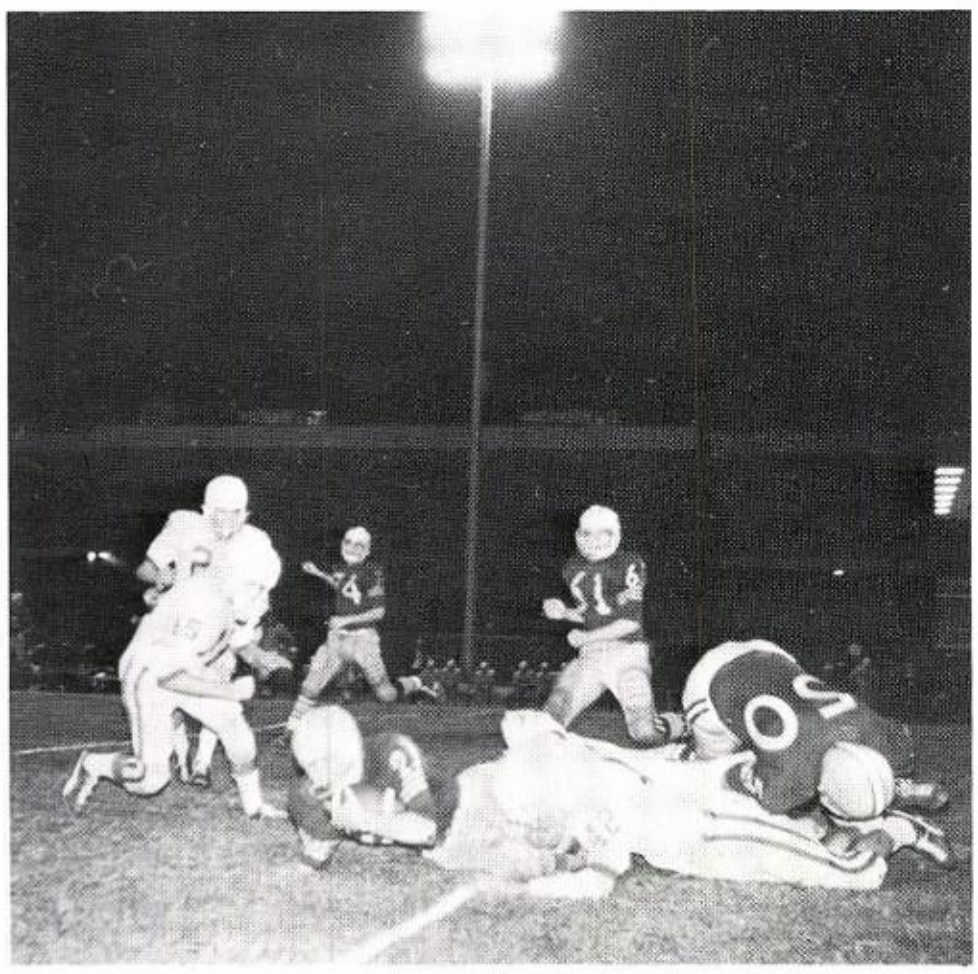
HEWITT-TRUSSVILLE

Watched by over 3,000, Mtn. Brook dedicated its new stadium with a smashing 28-7 victory over Hewitt-Trussville's Huskies. Fullback Elliott, the game's leading rusher, made the first and last scores. The Spartans' other two scores came in a span of 36 seconds on Hardy's passes to Moore and Craig. The PAT's were scored by Craig, on passes from Yeilding, and by McCullough and Davis with kicks.



OAK GROVE

Things looked good for the Spartans in our second home game, against Oak Grove. After five minutes of play, with the score 14-0, it was obvious that we were ahead for good. Every player got his night to shine, and the team made seven touchdowns before the game was over. The tired but happy Spartans triumphantly retired to the locker room with a 5-2 season so far.



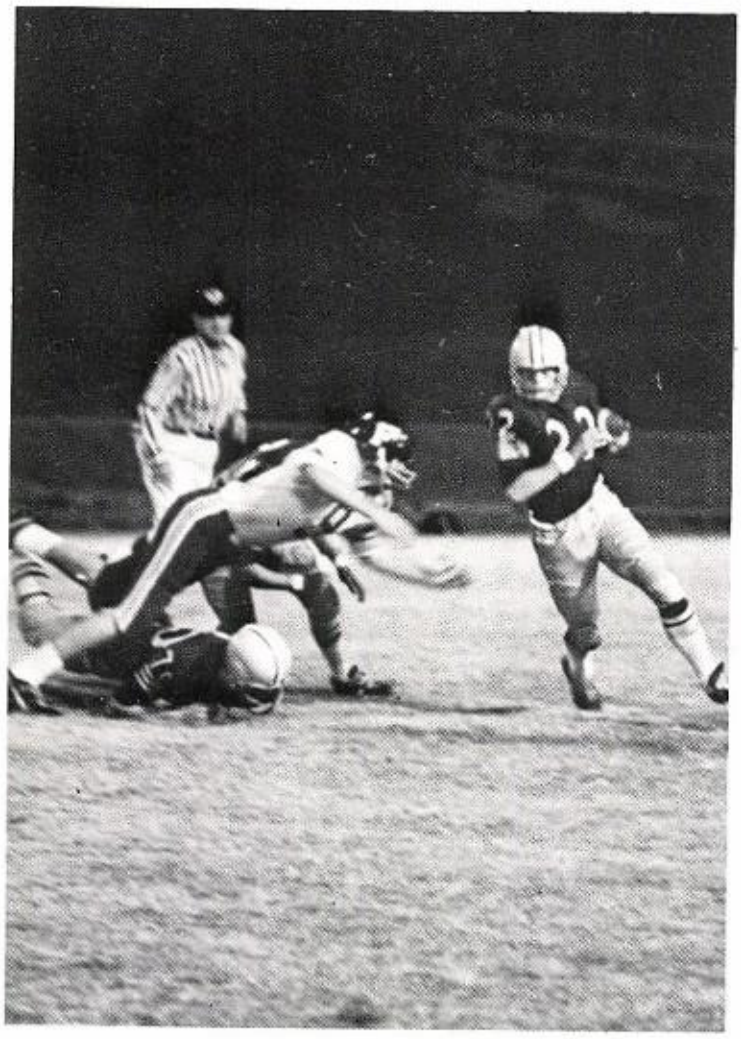
Davis carried against Hewitt-Trussville.

Sophomores and Juniors play against Oak Grove.

GARDENDALE

In the dying seconds of a wet and numb cold game, Mtn. Brook showed its real Spartan spunk. It galloped 75 yards behind Hardy to clip Gardendale 19-14. In the second period Tayloe raced 52 yards for a touchdown. In the fourth, Moore plunged one yard, and Hardy, in 8 plays, scrambled 67 yards for the winning touchdown with 30 seconds to go. The evening ended warmly for the Spartan fans.

Moore pulled down by Fairfield as Bagwell blocks.



Tayloe carries against Fairfield.

FAIRFIELD

Fairfield, with a fumble-hungry defense, eeked out a victory over Mtn. Brook, 13-7, in the last game of the season. Ball control and a very stingy defense caused the loss, even with key interceptions by Moore, Yeilding, and Sherrill. The lone score evolved after Moore's interception. This set up Hardy's 43 yard toss to Moore, after which Hardy sneaked over from 4 yards out. This final game left Mtn. Brook with a 7-3 record.

How could any team with four returning starters and an ace sophomore forward named Christmas be expected to do anything but great? The Spartans held a winning first season behind them and looked forward to placing Mountain Brook as one of the best teams in the state.

Senior forward, Pat Hardy, continued his high scoring record joined by sophomore Charlie Christmas. This combination made the season all the more promising and strengthened an already powerful team.

Center, John Dumas, advanced the Spartan defense with rebounding power and added his share of points to the scores.

Team captain, Cliff Bagwell, led the Spartans, and his skillfull ball control combined with Hatton Smith's talent for stealing the ball to carry Mountain Brook to early victories.

Jeff Fowlkes, Bill Mackey, Ronnie Little and John McHenry provided the Spartans alert assistance as an alive second team. The guidance and coaching skill of Coach Carl Roberts led the team on throughout the season.

The "off and on" factor of the game, the strong competition found in our opponents, and the abilities of our team intensified the enthusiasm of the Mtn. Brook fans as the 1968 season continued and ended in victory for the Spartans.

CLASS OF 1968

Being the first senior class of Mountain Brook High School has been a very rewarding experience. We have helped organize many activities such as the first Spartan Week, clubs, the Student Council, athletic teams, the newspaper, and a senior prom. Because we have worked hard to make this school what it is, we take pride in it and hope that the traditions we have begun will serve as a frame - for future improvements.

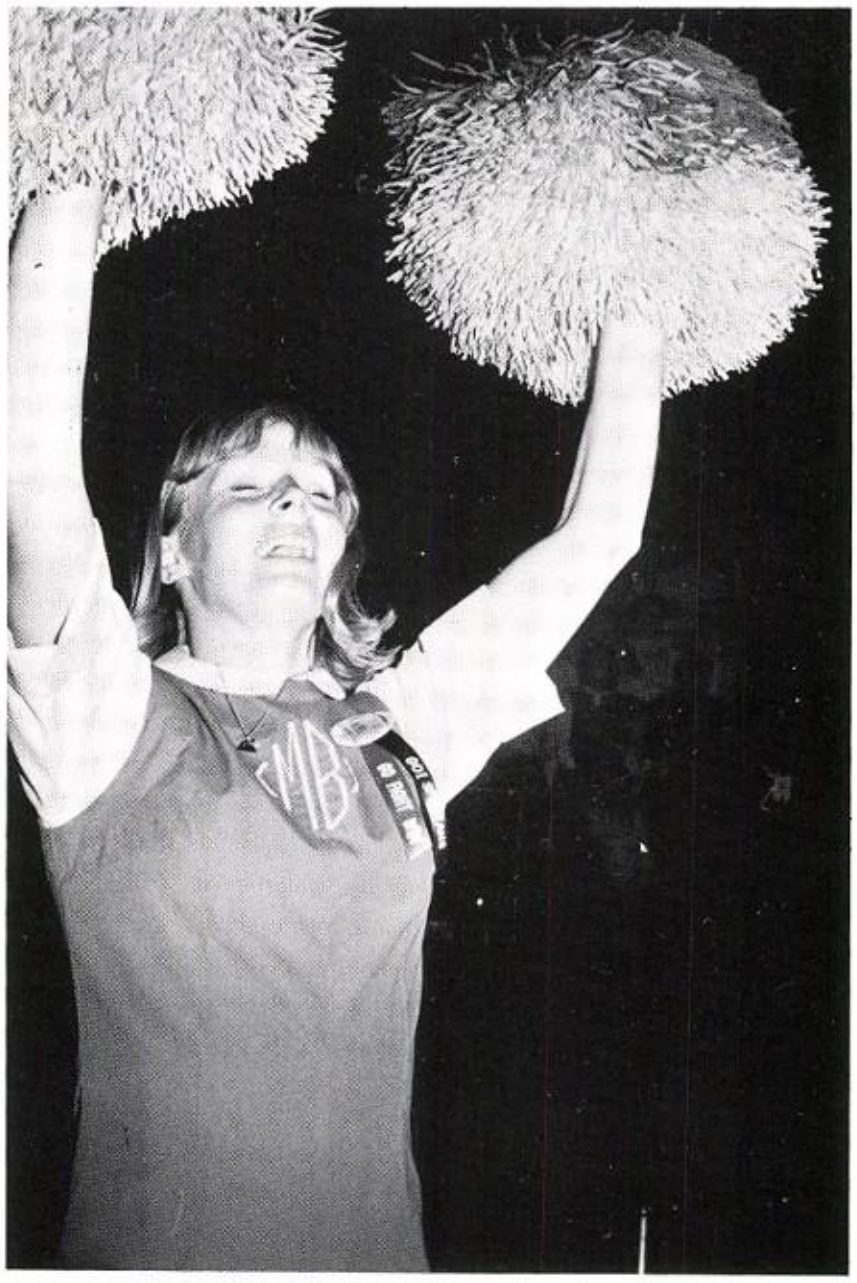
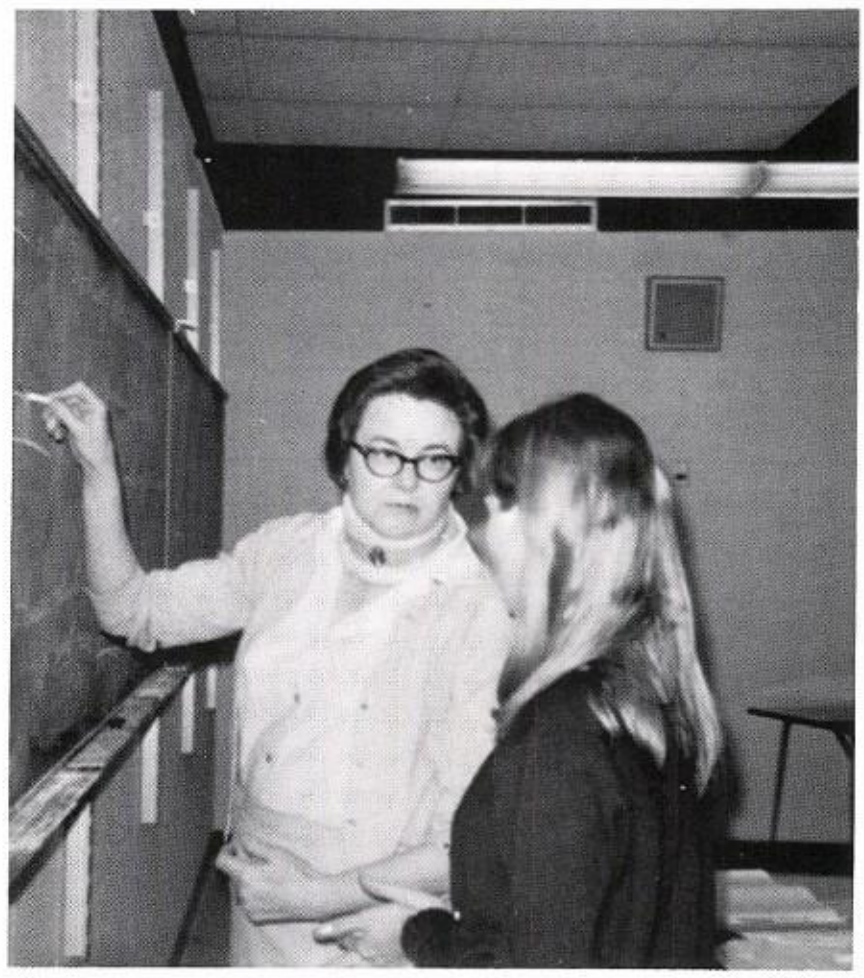
Another Monday morning joyfully begins.

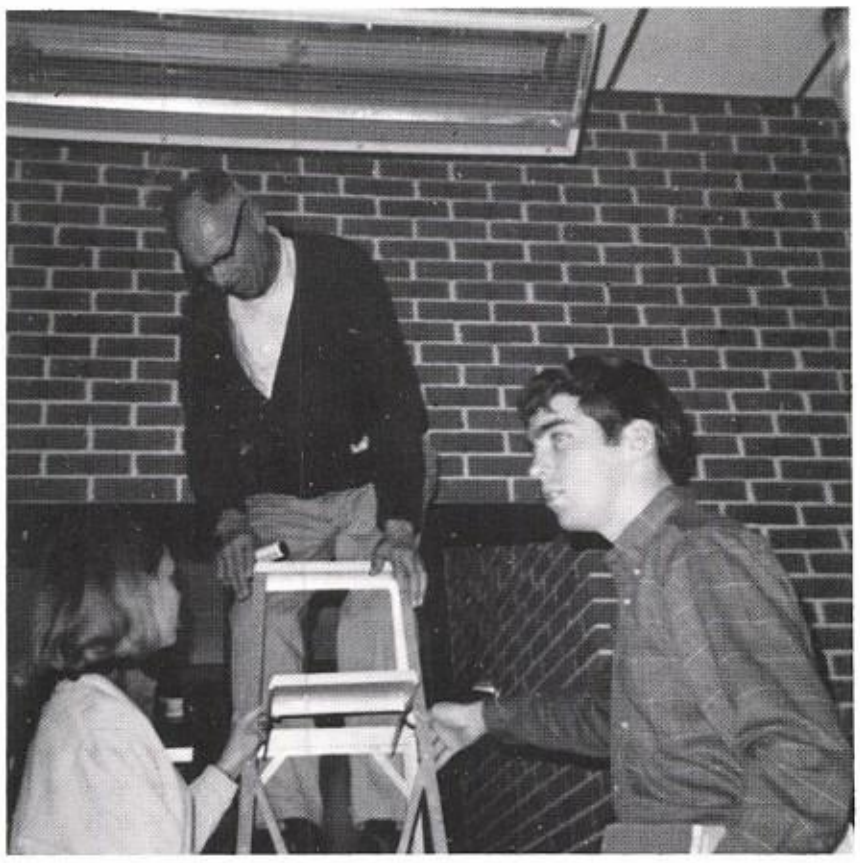


"Ah-chooooo!"

"I'm the king of the swingers, yeah, the jungle VIP".

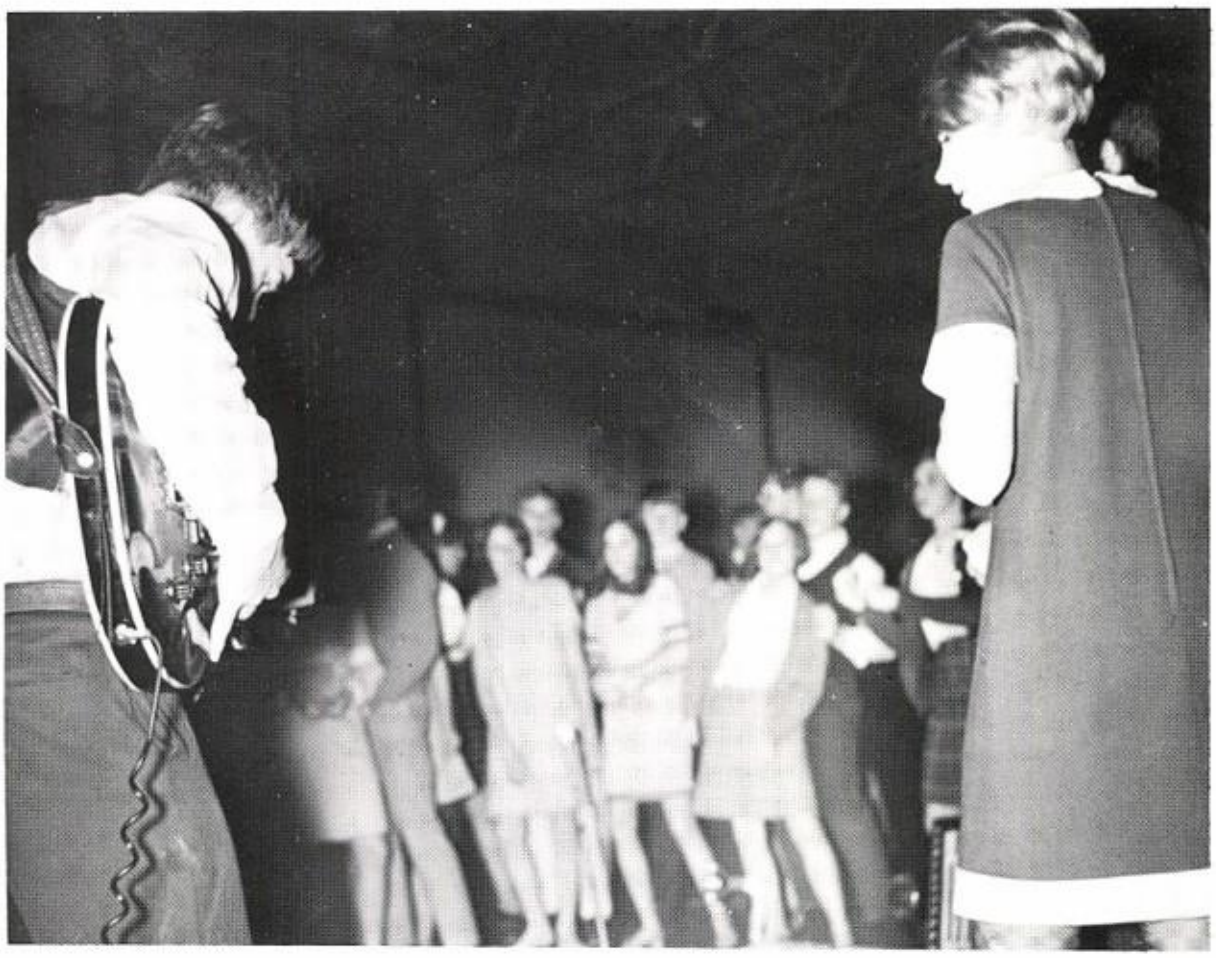


"Do I smell Juicy Fruit?"

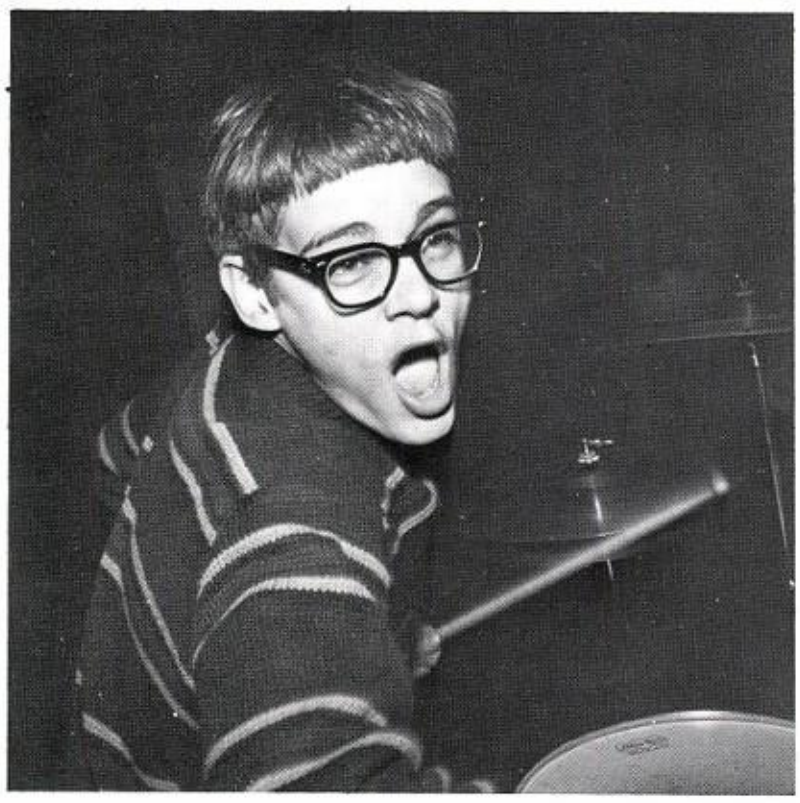


Don't Foster any hope about getting heat.

You'll wonder where the yellow went.

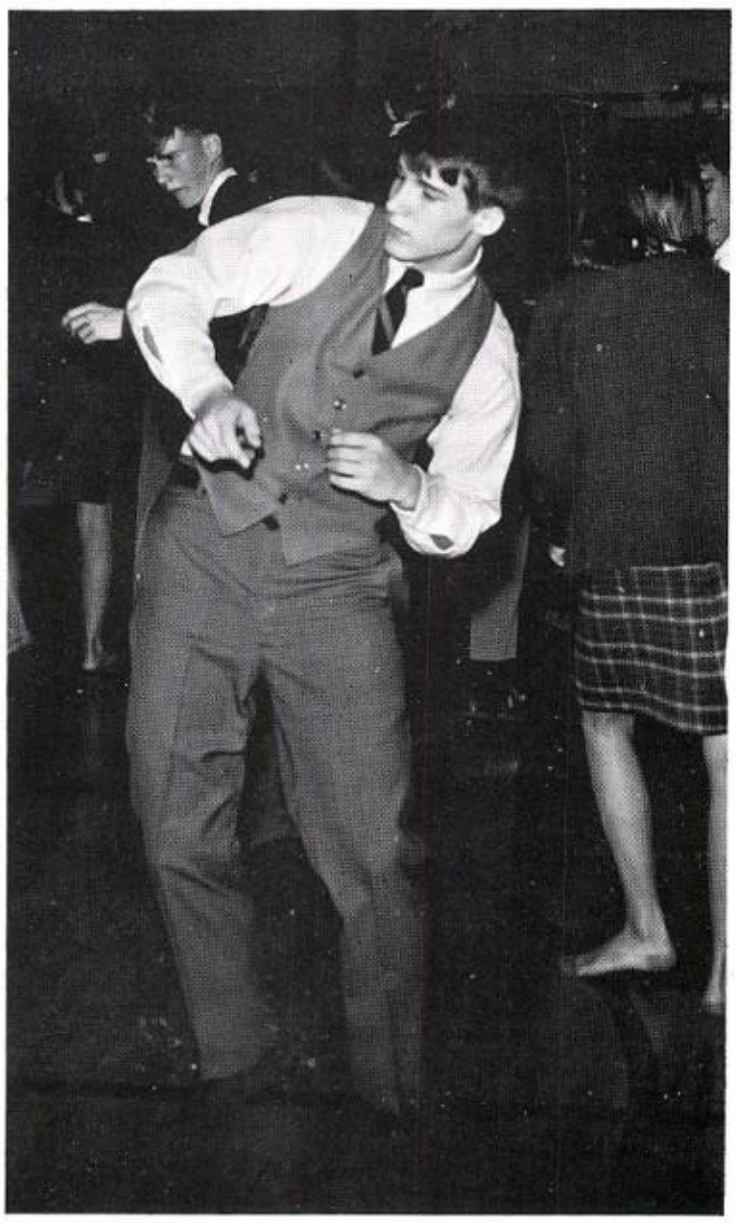


"Psst, plug it in stupid!"



"Oh, those onions!"

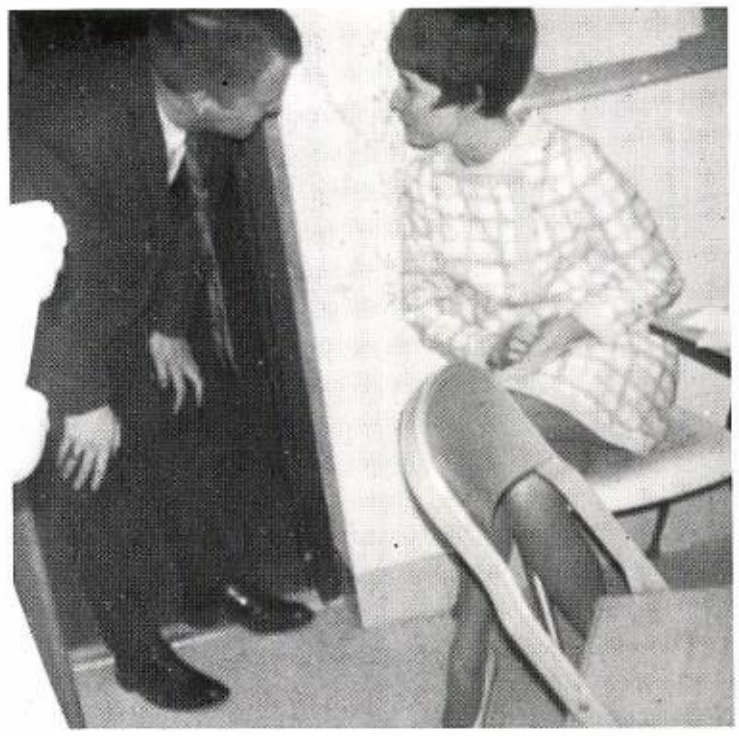
"Please excuse Deborah . . ."



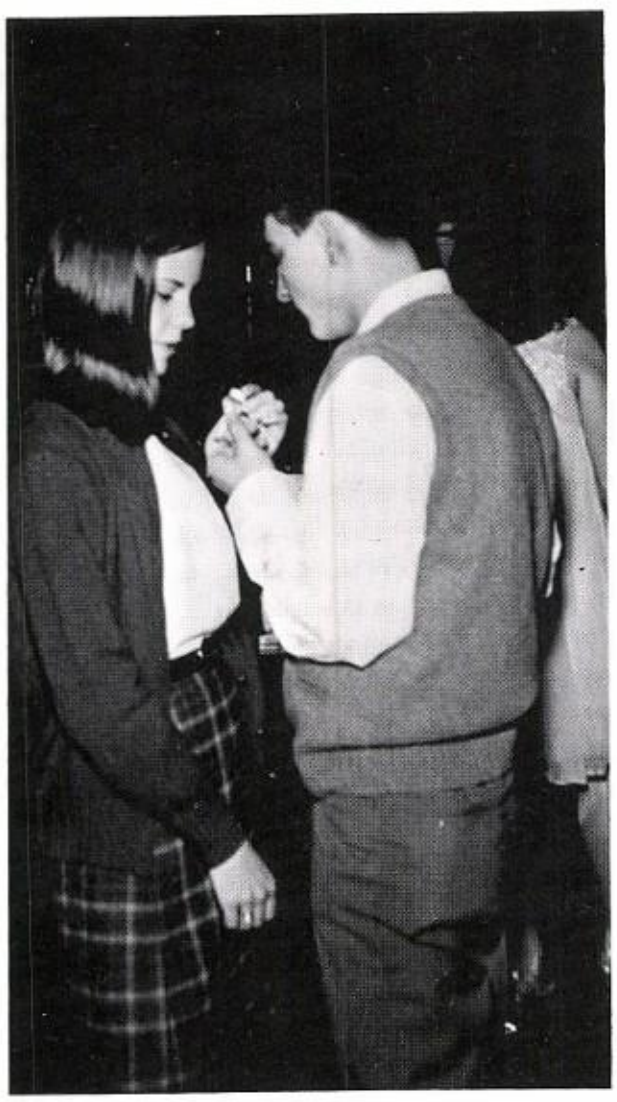
"I'm a little teapot . . ."

". . . and among other honors, I was named Miss Hydrochloric Acid of my chemistry class."

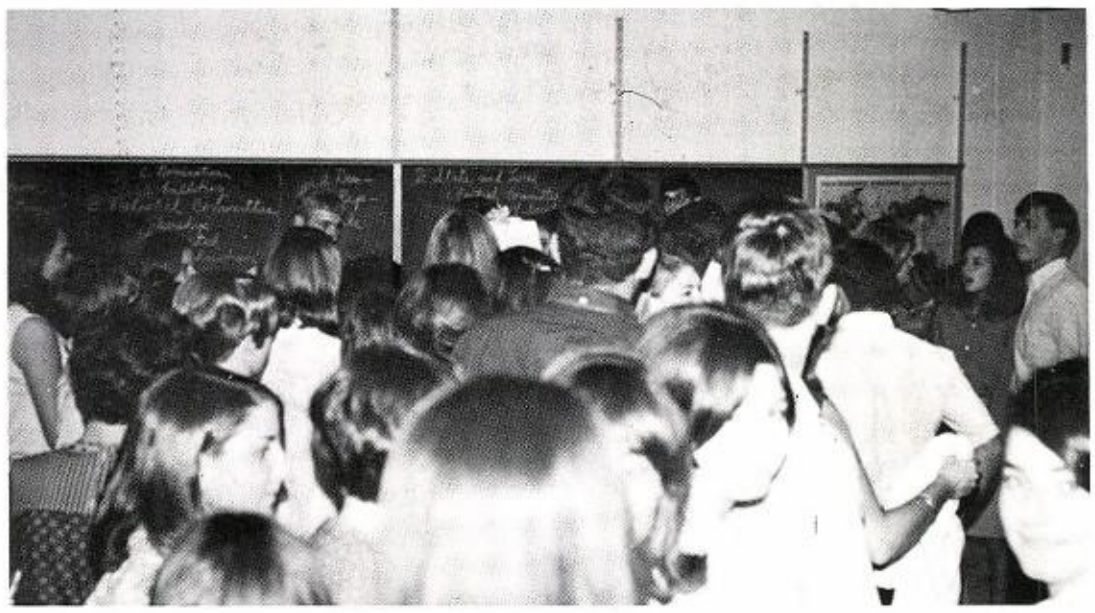
"I told you I'd get Miss Mountain Brook."



"Could you tell me where the little boy's room is please?"



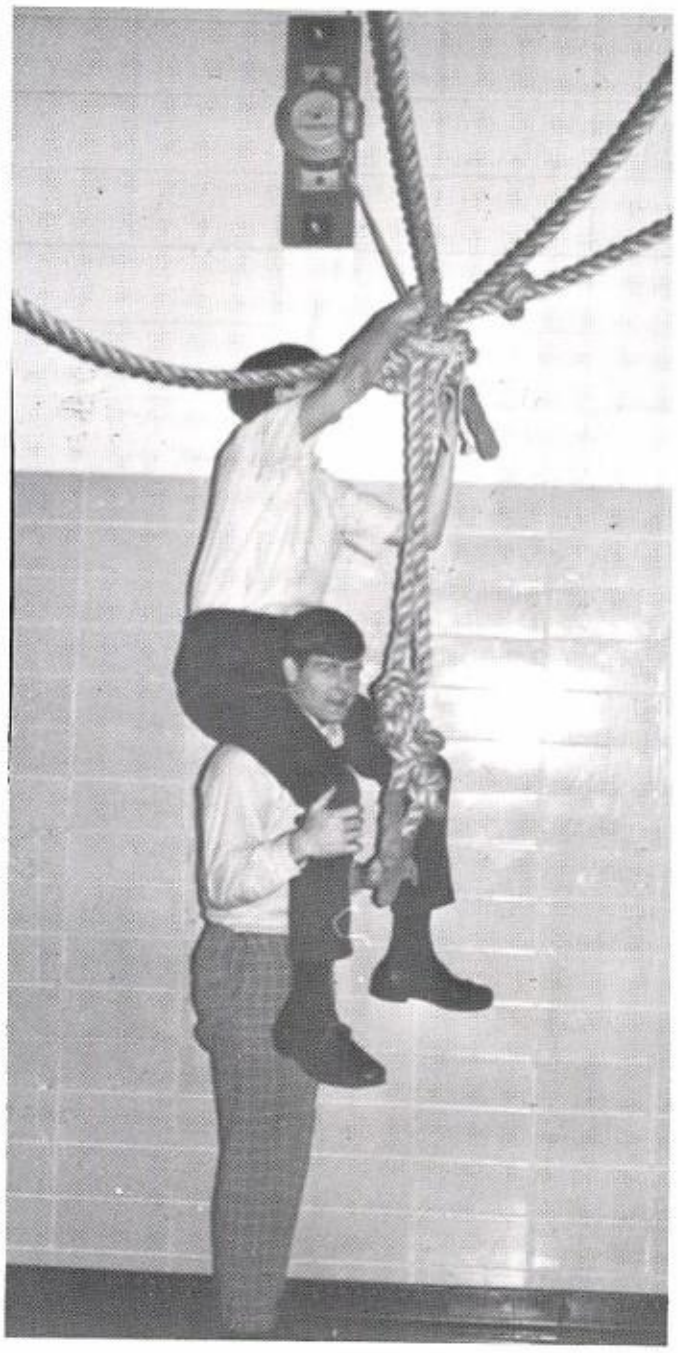
"Mark, your 24 hour protection is over."



Another organized History Club Meeting

Would you believe . . . ?

"Why couldn't we spend longer on the slinky chapter?"

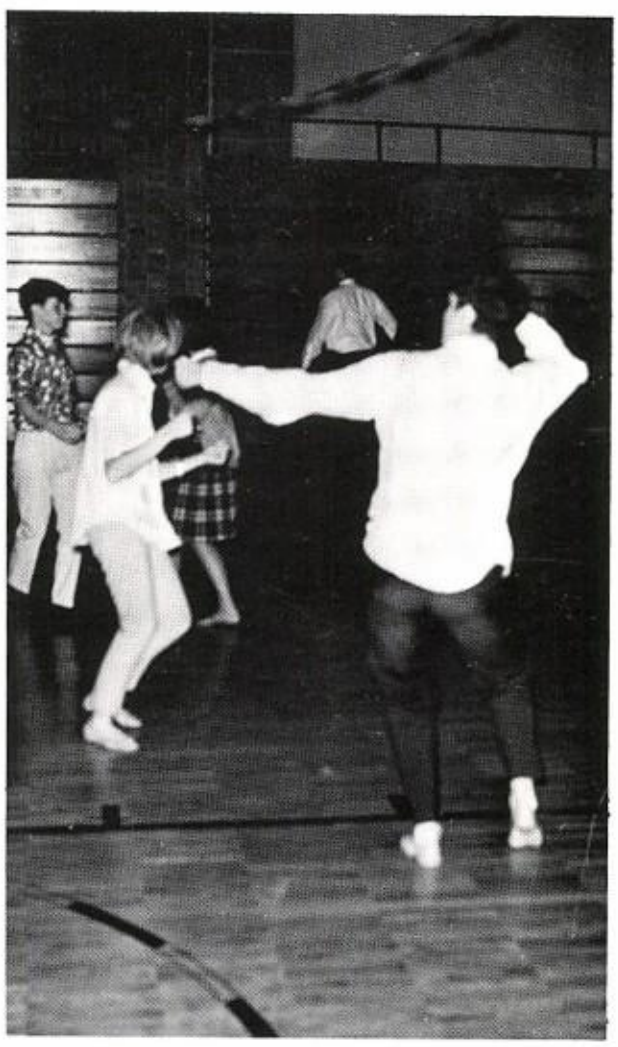


"Why do we get roped into everything?"

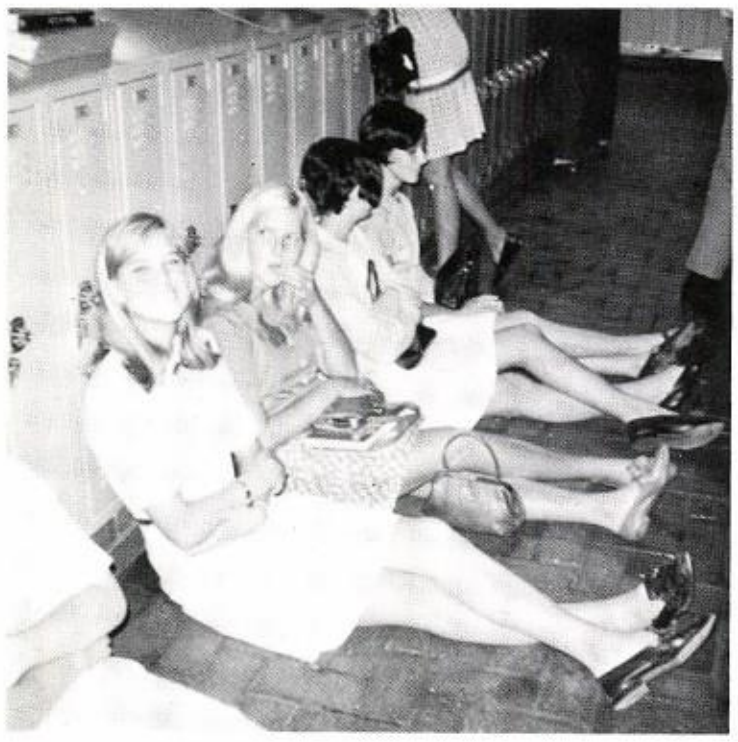
"Two of you ought to be able to count it."

"What do you mean I can't eat free?"

"I'll take the blonde!"



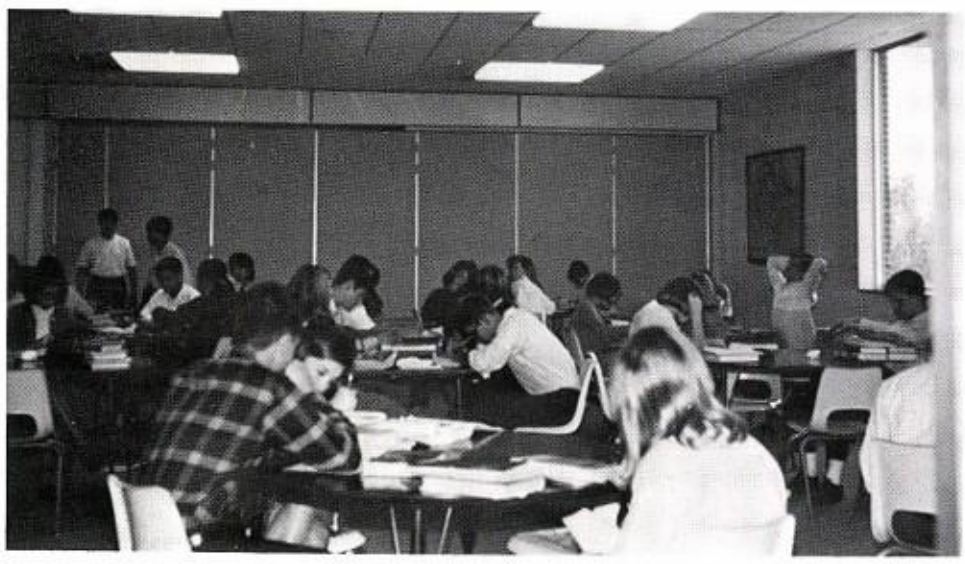
"I thought semiformal meant . . ."



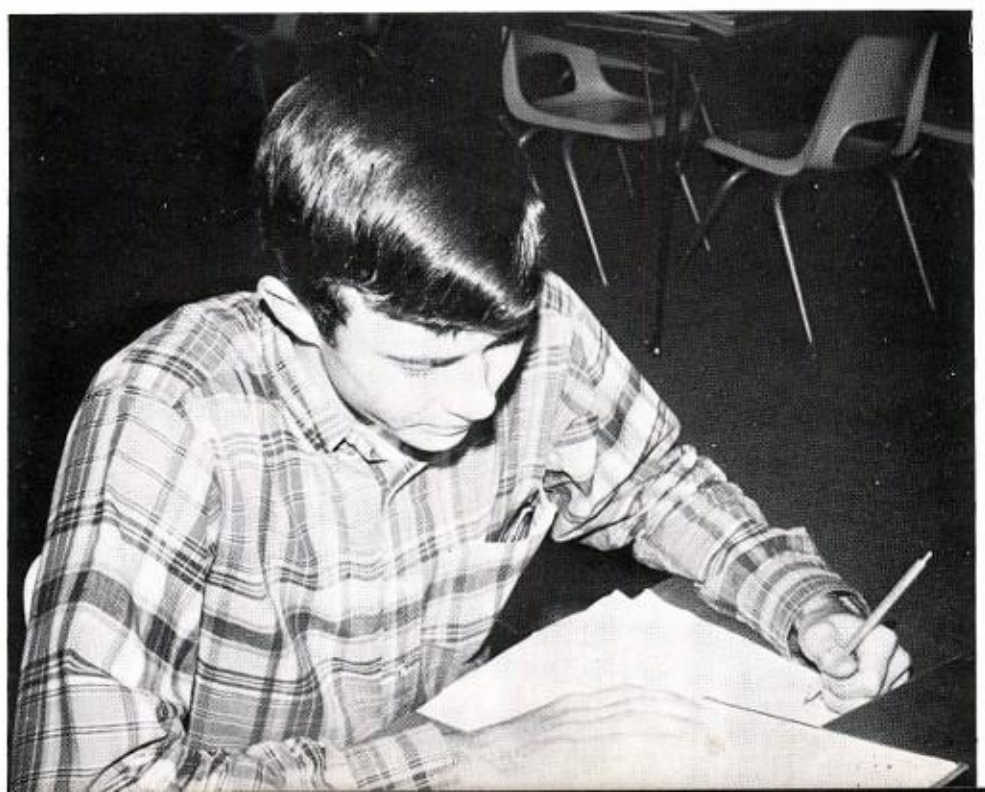
"Ya wanna get in your locker?"

"Peas is my very FAVORITE food!"

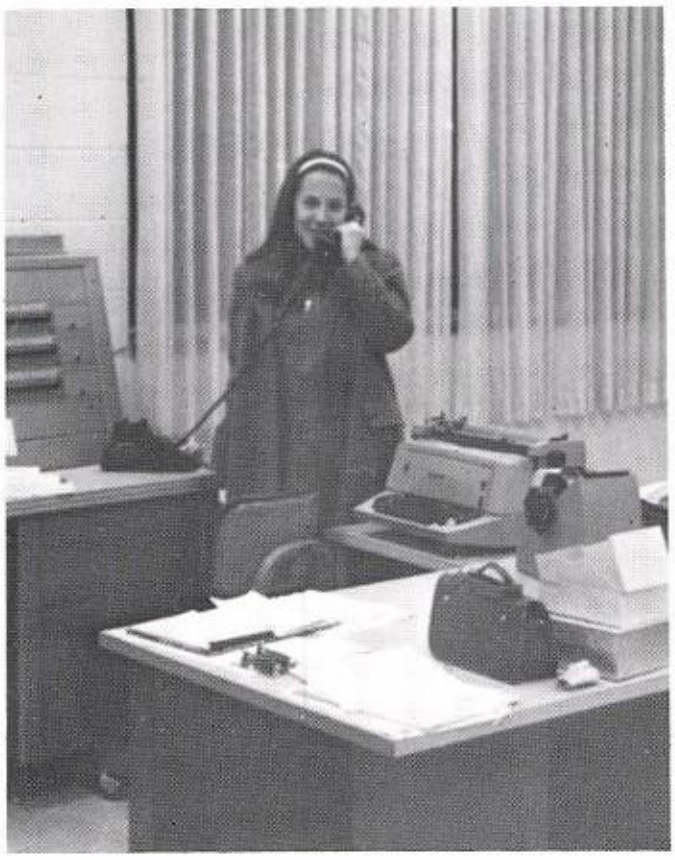
And now a word from our Phi Beta Kappa finalist.



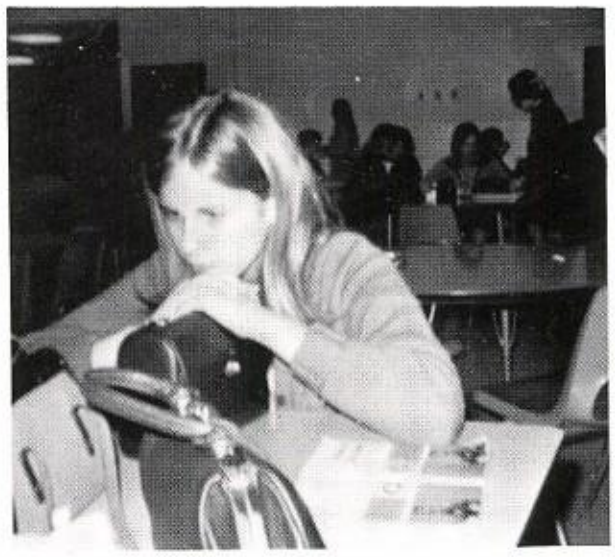
All quiet on Fang's front.



"Dear Ann Landers . . ."



"But Mom, school was out seven hours ago."



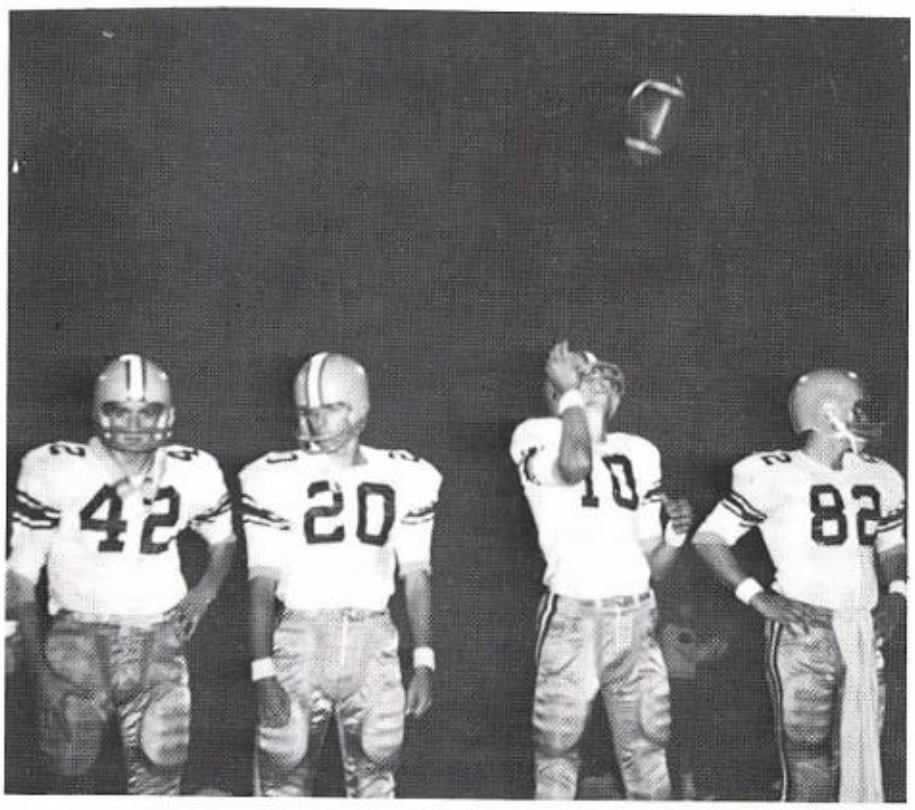
"Yipee! Library time!"

"Look, it's alive!"

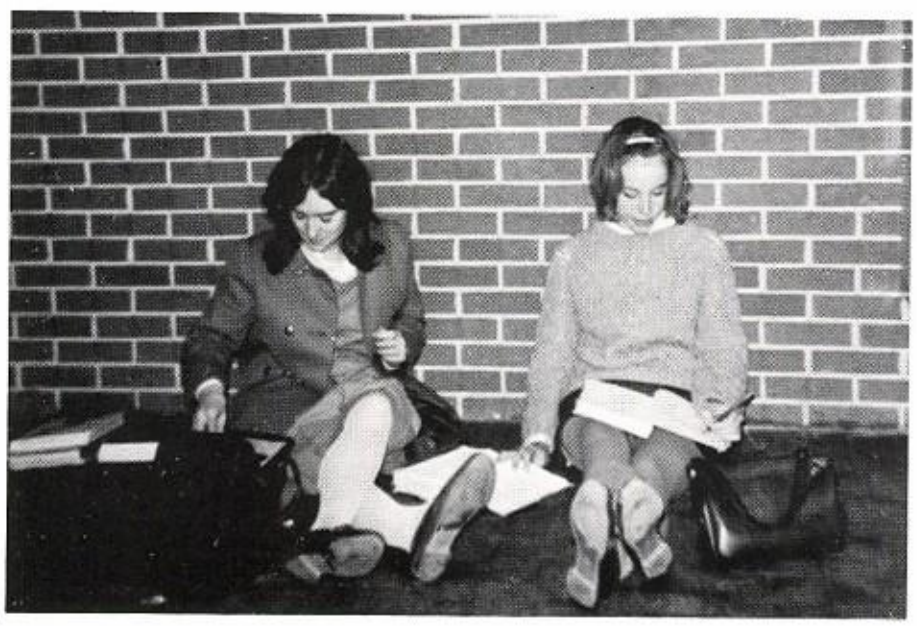
"Et tu, Goldberg?"

"There's enough room to drive a truck between us."

"I'm a model for Stilt magazine."

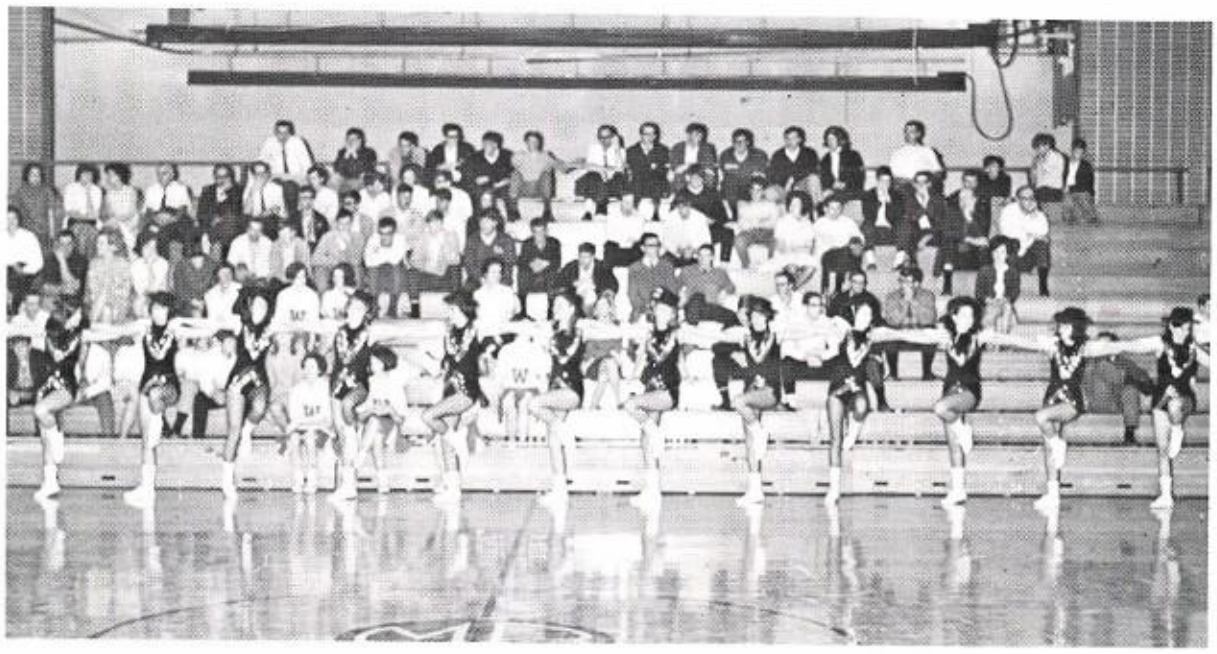


Enthusiasm runs rampant on the bench.



"Now where did I put my cigarettes?"

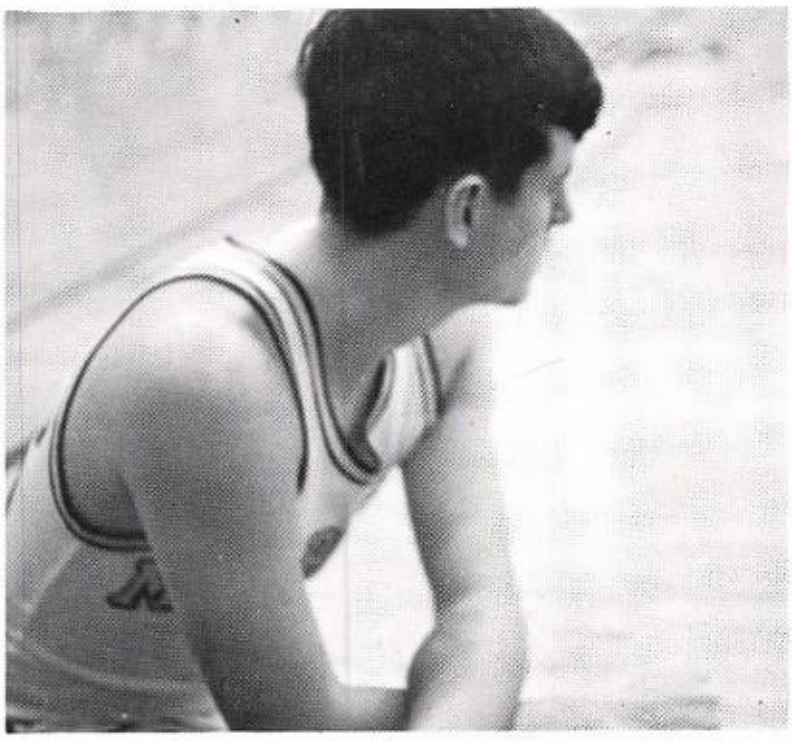
"You hit me, and I'll hit you back!"



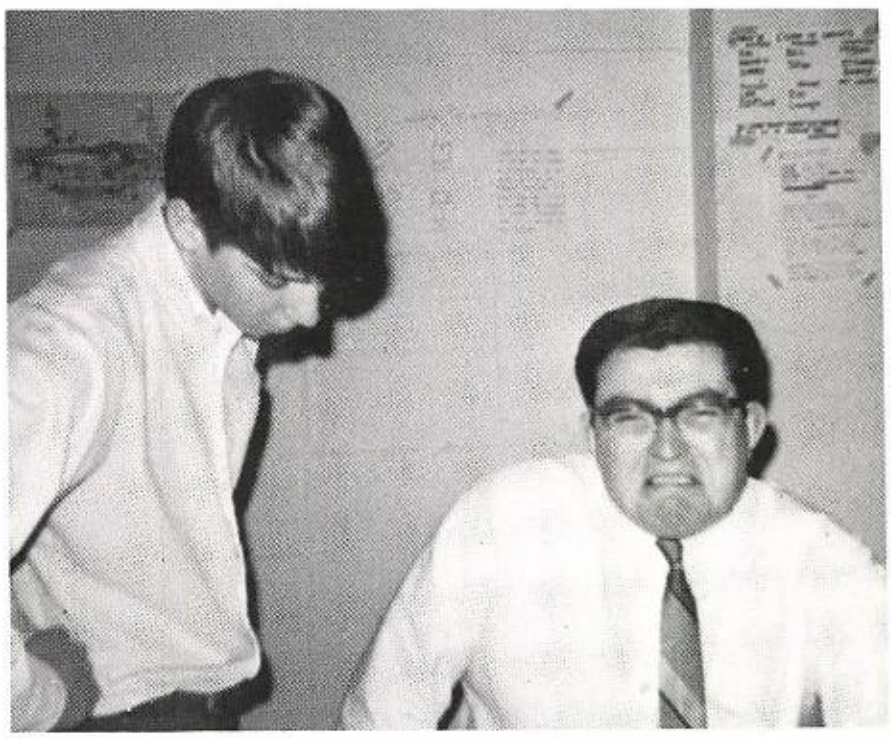
Nine out of ten girls use Nair.

"Gee, do you think we'll be able to get away with it?"

There's more than one way to kill time.

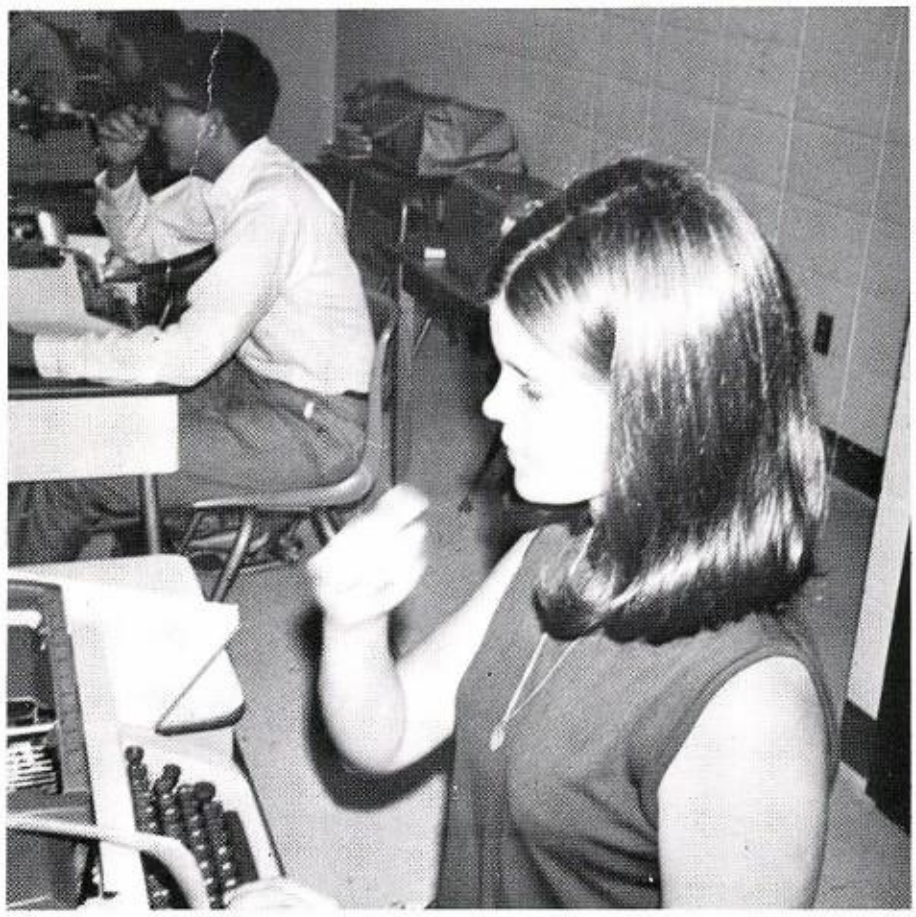


"Coach promised he'd send me in the last 15 seconds."

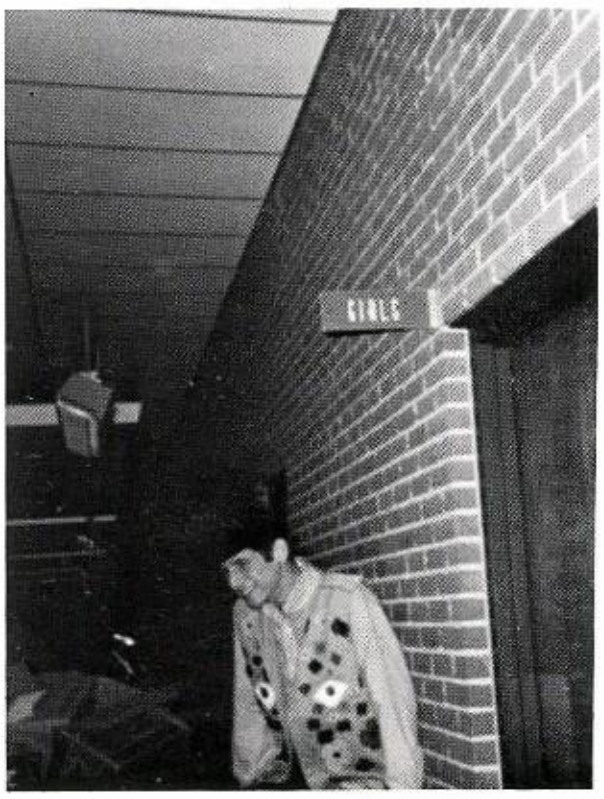


"But Miss Terrell's already engaged!"

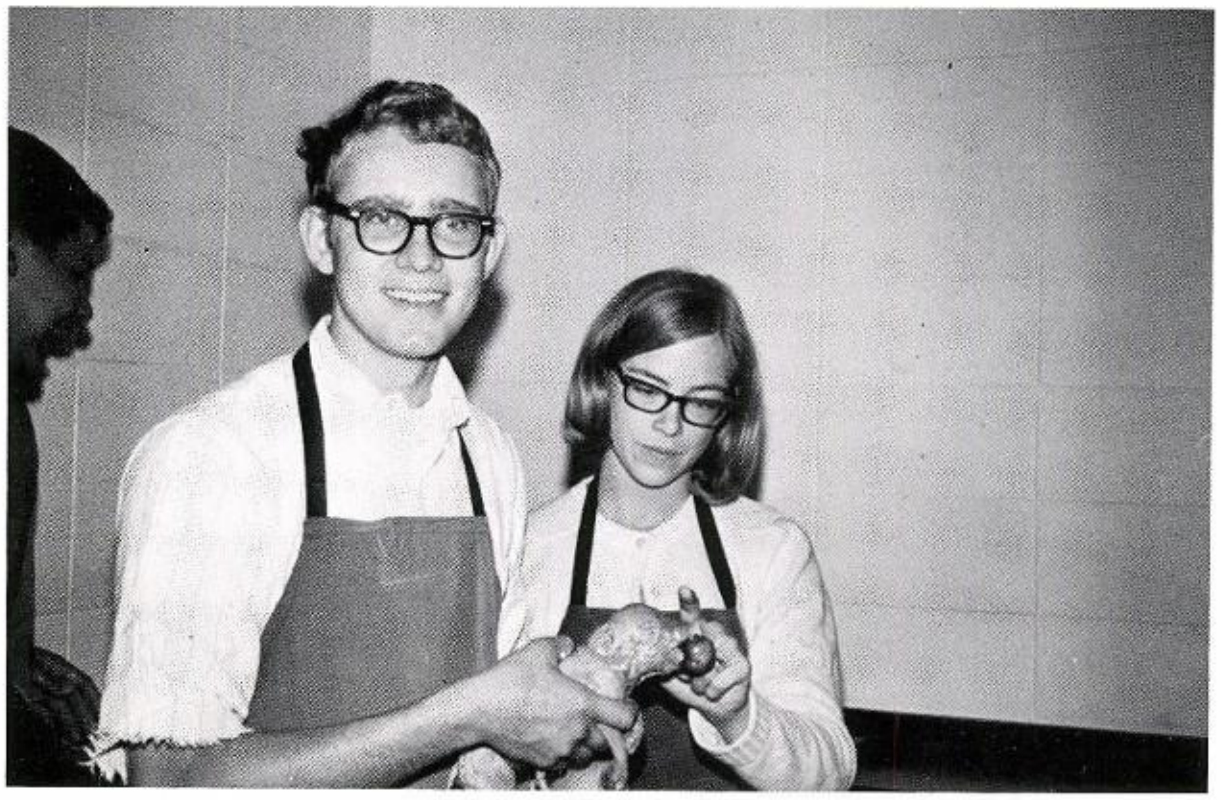
The real nitty-gritty



"One more fingernail and I quit!"



"Oops, wrong one."

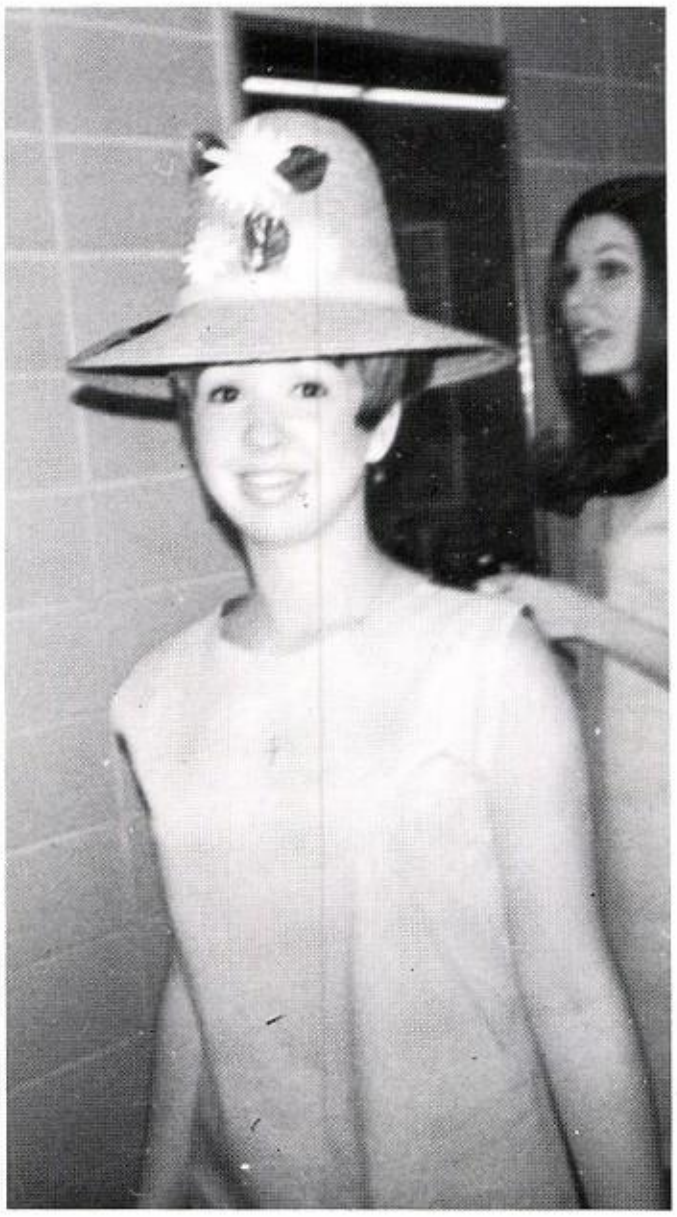


"It's a boy."

"All this work and I'm not even a finalist."

"In my humble opinion ..."

Simon Says, "Sweep the mall."



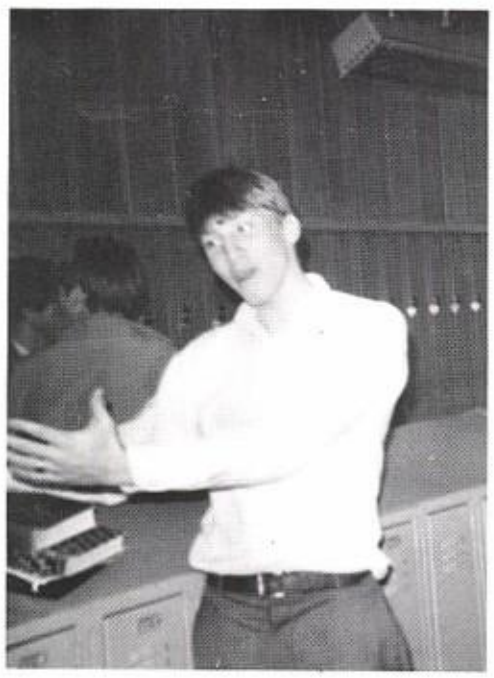
"I must go, my fans are calling."

"Is it that sad?"

"I'm cool, what's your problem?"

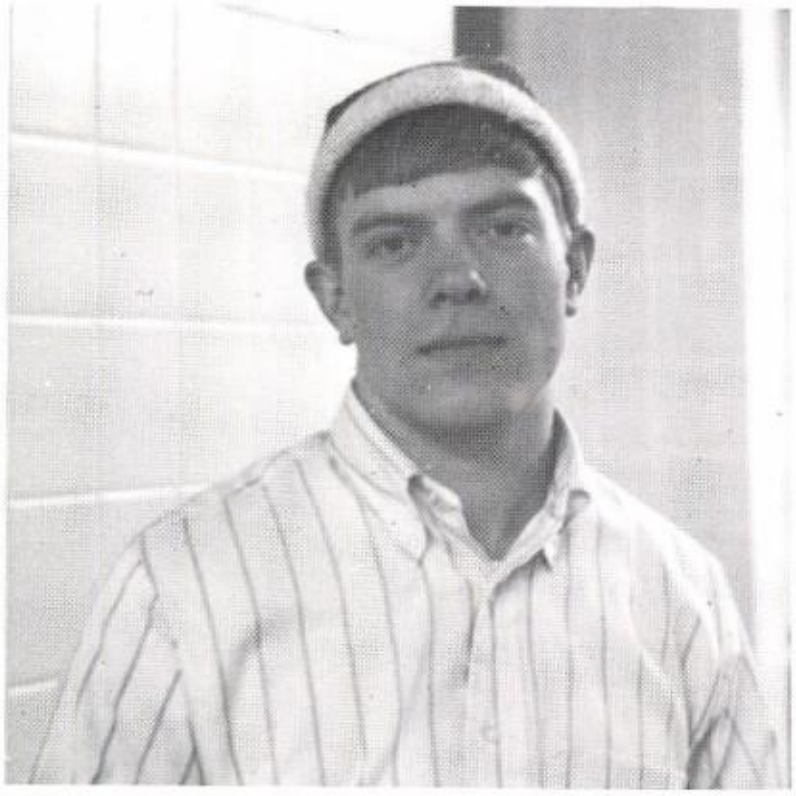
"No, I don't use hairspray."

"I want my mommy!"



"Drink to me only with thine eyes ..."

"Everybody thinks this is water."



"If you take my picture, I'll cry."

"Clarice is my name, cleaning's my game."

IN MEMORIAM

JANICE DIANE BATCHELOR
EDWARD STILL

Here is the 1968 Olympian designed to fulfill a purpose. Simple yet profound, it is a work of imagination to impart meaning and significance.

Student impressions have only a personal meaning. Your meaning and our meaning.
It is our hope that all might see these expressions and remember the impressions made as students at Mountain Brook.

This expression of student impressions at Mountain Brook High School has been made possible only by hard work, determination, and cooperation. Acknowledging those whose help has been greatly appreciated becomes necessary. Reward comes with the completion of a task well done.
